Creative Services

If you don't have the luxury of an in-house designer we can help. Our experienced creative staff can help you with all your creative needs. From banner design to an overhaul of the entire online marketing experience or from print ads to trade show booths, our creative staff can meet your needs. A couple common options are priced below. For more information and a quote for your particular needs, contact your account manager.

Banner Ad Design

Our creative staff can help you with writing, designing, and developing new ads. Our creative director will work directly with your marketing director to generate creatives that work for you. You will be provided with two to three designs or variations of each format. Flash or Silverlight creatives are also an option depending on the complexity.

Includes:

- 2-3 options will be provided for each selected format.
- The Advertiser may select one of the provided options for development into a final ad creative.

Pricing:

Formats	Rate
One format	\$500
Three formats	\$1200

Landing Page Design

Our experienced creative staff can also help you design a new landing page to promote your products or services. Whether it's a screen design or full design and implementation, our creative staff can help you with writing, designing and developing a landing page with a professional look to showcase your products.

Includes:

- Three proofs will be provided for each selected format.
- The Advertiser may select one of those three for development into a final ad creative.

Pricing:

Formats	Rate
Screen design only	\$1500
Full design and implementation	\$4995 and up
